Top Stories of the Mercer 2013 National Survey of Employer Sponsored Health Plans

Please join us as our speaker, Joan Smyth, Partner at Mercer Health & Benefits, presents results from **Mercer's 27th Annual National Survey**, which includes private and public employers with 10 or more employees, and is the largest and oldest of its kind. Nearly 3,000 employers participated in 2013.

In addition to cost and plan design information, the survey includes answers from participants on their strategy in dealing with health care reform. We will review this information and get a better understanding of what lies ahead in 2014 - and onwards to 2018 and the Excise Tax.
