

The New York Metro Area Chapter invites you to attend...

How Much Stimulus Package is Enough?

This is a great way to lead off our 2009 educational program! P. Brett Hammond will provide an update on activities that our political leaders are taking right now to stimulate economic growth. This program will certainly be timely and of interest to anyone, regardless of your area of specialization.

Brett was a speaker at the 2008 ISCEBS Symposium and the feedback from our members who attended his presentation was universally positive. His ability to take complicated issues and communicate them in simple terms that we all can understand is uncanny. Don't miss this one!
